## DETAILED ACTION

### Response to Amendment

1. In the response of the Final Office action mailed on 3/10/2006, Applicant amended claims 24 & 37 and claims 17-23 have been canceled and new claims 53-59 has been added. Now claims 8-15, 24-27, & 35-59 are pending.

### Drawings

2. The drawings are objected to under 37 CFR 1.83(a). The drawings must show every feature of the invention specified in the claims. Therefore, the CMOS as claimed in claims 8, 24, 35, & 40, which comprises dual gates structure with different work functions such as P-type gate and N-type gate must be shown <sup>as claimed in claims 8 & 24, 34, & 40,</sup> or the feature(s) canceled from the claim(s). No new matter should be entered.

Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the remaining figures. Each drawing sheet submitted after the filing date of an

application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

***Allowable Subject Matter***

3. Claims 8-15, 24-27, & 35-59 are allowed over the prior art of record.

***Conclusion***

4. This application is in condition for allowance except for the following formal matters:

The formal matter(s) that set forth in Paragraph 2 above should be addressed by applicant(s) prior pass the instant application to issue.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
